SUSTAINABILITY

LIVING LEARNING COMMUNITY

The Sustainability [Living Learning Community](#) (Sustainability LLC) provides the opportunity for Wayne State University students from any major to live in on-campus housing with other students from diverse backgrounds who are interested in learning how to personally live in a manner that supports ecologically, socially and economically healthy environments and communities. The Sustainability LLC will connect students who share an interest in learning more about local and global sustainability issues and how to live a more sustainable lifestyle. For the 2021-2022 academic year, the Sustainability LLC will be located in Chatsworth Suites.

Requirements for joining the Sustainability LLC:

- Complete the [WSU Housing application](#) and select Sustainability LLC
- Live on the Sustainability LLC floor in [Chatsworth Suites](#)
- Enrollment in ESG 1500 Introduction to Environmental Science for Fall 2021
- Complete 10 hours of approved community service per semester
- Follow the Sustainability LLC agreement in the Sustainability LLC application
